SUBJECT: Request for Extended Calling Area from Bluffton/Sun City to HHI

DOCKET # 2005-204-C
ORDER # 2005-650

CC: Mr Charles Terreni, Administrator ORS
Hargray Communications, Bob Labonte, President
Honorable Rep. Bill Herbkersman

Dear Mr Mitchell,

I am in receipt of your recent certified correspondence dated 11-9-2005 relative to yet an additional delay in responding to the final culmination/decision of an investigation to provide relief to Bluffton and Sun City residents for local calls to Hilton Head.

This is not Rocket Science, or is it an attempt to cost justify the additional charges by delaying tactics on the part of Hargray. My first letter dated 5-29-2005 until now seems sufficient time to bring it to fruition.

Please be advised that I am prepared to produce over a thousand signatures (more if necessary) conveying the request to provide local calling to HHI **and across the street to new Sun City** homes soon to be located in Jasper County.

Sun City is now 8000 persons strong and growing exponentially, currently closing on new homes at the rate of 95 homes per month for the last 14 months.
All the businesses I have contacted are ready to come aboard when necessary.

Many residents of both Sun City and Bluffton are reeling under the rising cost of toll call telephone service. With knowledge of current Hargray profits I think it's time to give some back to your customers.

Respectfully,

Donald A. Cotnoir
